E. The valid time columns employee_time_start and employee_time_end are automatically created.
Answer: C,D,E
Explanation:
Explanation/Reference:
Explanation:
A: To implement Temporal Validity(TV), 12c offers the option to have two date columns in that table which
is having TV enabled using the new clause Period For in the Create Table for the newly created tables or
in the Alter Table for the existing ones. The columns that are used can be defined while creating the table
itself and will be used in the Period For clause or you can skip having them in the table's definition in the
case of which, the Period For clause would be creating them internally.
