NEW QUESTION: 3

Assessment displays TrustSec-based device details such as TrustSec version, readiness category, readiness device count, and device percentage displayed in the pie chart. To generate a TrustSec Readiness Assessment report:

Answer:

Explanation:

Explanation

Scenario:

Information about vehicles that have been detected as going over the speed limit during the last 30 minutes must be available to law enforcement officers. Several law enforcement organizations may respond to speeding vehicles.

Telemetry Capture

The telemetry capture system records each time a vehicle passes in front of a sensor. The sensors run on a custom embedded operating system and record the following telemetry data:

- * Time
- * Location in latitude and longitude
- * Speed in kilometers per hour (kmph)
- * Length of vehicle in meters
